

Re: All State Associates of Pinal IX (Loan 861506)

Dear Investors:

This email is being sent to the investors in the MP Funds 9 through 17 and to the pass-through investors that transferred into the ASA IX Loan, LLC. On May 4, 2010 you should have received an email from ML Manager LLC describing the potential sale of the property owned by ASA IX Loan LLC and asking you to vote to either agree or disagree to accept the recommendation of the ML Manager LLC Board to sell the property. It was sent as a Zoomerang survey and so has a different sender name than ML Manager LLC.

This message is being sent to you to make sure that all members of ASA IX Loan LLC get the opportunity to participate in the major decision on the above loan. If you received the message and could open and access it, you can disregard this message. If you did not receive the email on May 4, 2010, please check to see if your spam filter directed the email into your junk mail folder. The sender of the email would have been as follows: Elliott Pollack - Chair [Survey@fclaw.com]. If after checking you still do not see it, please contact Gidget at (602) 916-5110 or gkbacon@fclaw.com. The deadline to vote on the major decision concerning the loan is May 17, 2010 at noon.

Regards,

Elliott Pollack, Chair
ML Manager LLC
