ML MANAGER LLC NEWSLETTER #59

Dear Investors:

Final Court Order and Winddown

On August 19, 2026, the Bankruptcy Court issued a final order closing the bankruptcy case and winding down the business of ML Manager. A copy of the order has been posted on the ML Manager webpage. The few remaining entities have been dissolved, and the Board members and officers have been relieved of their services. Records will be maintained for the next few years as required by law. VSA Accounting Services has been designated to handle the limited remaining functions.

All unclaimed funds will be held by VSA Accounting Services for 90 days after the date of the order. If you believe that you may have unclaimed funds, please contact us at 623-234-9560 or email at mortgagesinfo@mtgltd.com. After the expiration of the 90-day period, any remaining unclaimed funds will be contributed to St Mary's Food Bank, American Red Cross, Salvation Army, Habitat for Humanity and Arizona Humane Society.

If you have any other questions about the final order or the limited winddown activities, you may contact 623-234-9560 or via email at mortgagesinfo@mtgltd.com.

This will be the final communication on behalf of the ML Manager Board. Again, I want to sincerely thank you for your continued trust and patience over the years.

Best Regards,

Elliott Pollack
Chairman
